

The 3rd regional meeting of the bright Project took place in Nicosia on October 2nd till October 4th.

During this meeting the partners met and discussed on the current progress of the project. Currently the text of the learning materials has already been drafted, but the parties agreed for a more user-friendly content.

Additionally, the parties discussed about the progress on the platform and the testing phase is expected to take place soon.

All partners approved the following structure of the particular modules:

- ▶ Modul 1 – EU law
 - ▶ Chapter 1- Introduction to Law
 - ▶ Chapter 2- Introduction to EU Law
 1. Historical Origins of EU: principles of conferral, subsidiarity and proportionality
 2. The European Union Institutions:
 3. Basic EU Legal Texts and the EU legislative process;
 4. Sources of Community Law
 5. EU substantive law- fundamental freedoms and rights

- ▶ Modul II – Legal knowledge in key areas of national laws
 - ▶ Cypres, German, Czech and Spanish national law
 - ▶ Chapter 1- Legal System
 - ▶ Chapter 2- Contracts Law
 - ▶ Chapter 3- Employment Law
 - ▶ Chapter 4- Business Law
 - ▶ Chapter 5-Important Aspects of Civil Law and Public Law
 - ▶ Chapter 6- Data protection

All the partners had the opportunity to watch a demonstration of the platform which is almost ready.

Moreover, the modules were also presented at the Researcher's night in Nicosia and it was met with great enthusiasm by people in Cyprus. The platform is very much awaited and is sure to have many active participants that will take part in the course. Additionally, the project was presented at the career day, which took place at 15.05.2017 in Westfälische Hochschule, Gelsenkirchen. The students were really interested, and they really appreciated the modules which will help them to be more mobile after finishing their studies.

Overall the news relating to the progress of the project are very positive as older partners or working together on fast and professional basis. Stay tuned for more news on whether platform will be ready.
