

## Newsletter Nr. 3/ 2017

The fourth meeting of the BRIGHT@EU project took place in Valencia from 28. to 29. May 2018.

Main themes of this meeting from all project partners was Output 3 and Output 4 from the project.

Output 3 contains the BRIGHT@EU online demonstration and the preparation of the pilot testing for the Quiz which will take place on the online platform [www.bright-eu.eu](http://www.bright-eu.eu).

Also in this step the partners discussed how to train the trainer handouts and about the work distribution for the next steps.

Output 4 is focused on the constitution from the structure of the e-book of intercultural competences in law context. In this step all partners decided how the construction of the e-book should be composed.

The goal is creating an e-book about the intercultural competences in law context specific for each country of all partners from the project.

In addition the team had the chance to get some amazing impressions of the City after work and enjoyed a wonderful dinner with local food.

All in all these were successful project days which usefull results for the next steps of the project.
